

## Course overview

Below is an overview of the units that make up the first part of the Dutch from Scratch programme, presented in the order in which I usually teach them.

Once the course has started, adjustments and reordering are often necessary, so the structure should be seen as flexible rather than fixed.

|    |                                            |
|----|--------------------------------------------|
| 1  | The Dutch alphabet & Pronunciation         |
| 2  | Introducing yourself & Basic communication |
| 3  | Daily life & Routines                      |
| 4  | Numbers 0 – 99                             |
| 5  | Numbers 100 – ∞                            |
| 6  | Division in syllables                      |
| 7  | The present tense                          |
| 8  | Home & Family                              |
| 9  | “De” versus “Het”                          |
| 10 | Food & Eating habits                       |
| 11 | Clothing & Shopping                        |
| 12 | Getting around town                        |
| 13 | Body & Health                              |
| 14 | The Weather, Travel & Holidays             |
| 15 | Work and Professional life                 |
| 16 | The past tense: Perfectum                  |
